

July 20, 2011

Dear Sir Knights,

As your new faithful navigator, I would like to personally welcome you all to the new Columbian year.

For those of you who may not know me, I have been a member of the Knights since 2001 and a member of the fourth degree since 2009. I am a past grand knight and current member of Woodbridge Council #857.

I am employed by Accenture, a Fortune 500 consulting company, as a project manager. I was born and raised in New Jersey, and I currently live in Bayonne.

On Monday, July 25th, we will hold our annual installation of officers ceremony jointly with the Iselin assembly, at the Iselin council hall, at 7:30 PM. This will take the place of the regularly scheduled Tuesday meeting.

Please attempt to attend our August 23rd business meeting, as we will discuss and vote on the budget for the upcoming Columbian year. I have attached a proposal at the end of this newsletter; this will serve to start the discussion.

In the name of efficiency, I have decided to continue the electronic newsletter policy put in place by my predecessor. This, the first newsletter of my term, will be delivered electronically and via US Post to all members with an address on file, but future newsletters will be electronic-only unless otherwise requested. If you wish to continue to receive the “dead tree edition” of the newsletter, please contact me via telephone or at a regularly scheduled meeting.

Please join me in congratulating all of our officers elected at the May meeting and listed on the 2nd page of this newsletter. I would also like to congratulate our state officers elected at the state convention in Wildwood.

I look forward to serving as faithful navigator for the 2011-2012 Columbian year, and would like to give an especially warm “thank you” to our outgoing faithful navigator and current admiral, Mr. Michael J. Choma.

Fraternally yours,
Matthew J. Hill
Faithful Navigator
