MIDDLESEX COUNCIL #857
130 MAIN STREET, WOODBRIDGE, NJ 07095

APRIL 2011

GRAND KNIGHT'S MESSAGE

Our council ended the month of February with our Membership Blitz and our collection for the Chapter 4 Ultrasound Initiative, both held during the 2/26 & 2/27 weekend. Thanks to Chaplain Fr. Charlie, with his approval for a special second collection, our council was able to collect enough money to make a \$2,000 donation to the Chapter 4 Ultrasound Fund. Also, we gave pulpit talks at most of the Masses that weekend and were able to meet 14 potential new members. We followed up our Blitz with an Open House on Wednesday, March 2nd, which welcomed four men who took the time to come down and find out about the Knights of Columbus.

Our Membership Chairman, Robert Golden-PGK, escorted two new members to their FIRST DEGREE. Brothers James O'Keefe and John DeMarie took their degree at Old Bridge Council on March 8th. Congratulation and get involved in your council.

In addition, as a result of the Open House and the hard work of the members of our council, we will be welcoming at least five new members to our council on April 1st. These members hopefully will be taking their FIRST DEGREE at the East Brunswick Council. If you've recently joined, please come down and get involved in something. As we say in the membership meeting, you'll get back far more than you give! Thanks to all the members who've made an effort towards membership this year.

The month of March started off with a bang as we celebrated our fourth 'Fat Saturday' Mardi Gras Social, followed by our 'Ash Wednesday Fish Dinner' and our St. Patrick's Day Parade & Social. Thankfully, all the events were well attended and we had great weather for the parade (unlike last year!). I want to thank all the members who worked these events. These are two of the busiest events we hold during the year and they all occurred within four days of each other.

Faternally,

JOHN C. BROWER

* KNIGHT VISION *

IMPORTANT ITEMS

- I have created the steering committee to evaluate the overall costs/expenses of the council. The nine members consists of: Grand Knight John Brower, Dep. Grand Knight James Sullivan, James Matits, Ken Wahl, Jack Keenan (PGK, PFN, FDD), Ed Lenart PGK, Gerry Stamato PGK, Robert Banasiak (FS, PGK), and Daniel Langon, Jr. All committee members received the Columbian Club financial reports for the past two year and have begun the review process. We hope to have a report ready in the next few months.
- On April 19th, the nominating committee for the new Officer's for the 2011-2012 Columbian year will hold interviews following the Business/Columbian Club meeting. Any 3rd degree members planning on holding an Officer's position next year must make plans to attend this meeting in order to be listed on the slate of Officers. Members who can't make the meeting must be nominated on the floor at the elections, which will be held on June 7th.
- Lately, there has been an influx of donation requests made to the council. In order for the council to properly evaluate all donations, each request must be reviewed by the Trustees and discussed at an Officer's meeting prior to any floor vote or decision occurring. All donation requests must go through this vetting process in order to maintain the financial stability of our council.

JOHN C. BROWER, GRAND KNIGHT

CHAPLAIN FR. CHARLES CICERALE

Chaplain Father Charlie authorized our council to hold a special second collection, rather than a simple canning drive, for the Ultrasound Initiative. This allowed our council to collect \$2,000 towards the purchase of three ultrasound machines across the Metuchen Diocese. In addition, he also sponsored two new members to our council. Thank you Brother Charles for your support.

COLUMBIAN CLUB REPORT

The planned electrical work for behind the bar is to be scheduled for a Saturday in early/mid April. The bar area is the only space that should be without power while the works gets done and the work is planned to only take one day. I will post the date once it has been set with the electrician.

Gerry Stamato-PGK examined the light situation on our front porch and discovered why the lights were not turning on in the evening. One of the blown bulbs had been replaced with a fluorescent bulb. The lights on the porch are on an electrical timer, which does not work with fluorescent bulbs. This caused the timer to not work. Once the bulb was replaced with a standard bulb, all are working fine. Gerry took the fluorescent bulb and put it in the Grotto, which is not a problem as that timer is mechanical. Thanks for solving the mystery Gerry!

As spring approaches, I would like to turn my attention to the Grotto. I will make a list of things that need to be fixed, cleaned, etc. and I will bring it up at an upcoming meeting. I would like to have the Grotto ready for the month of May.

Lastly, don't forget to purchase a 'Changing of the Keys' Mega-Raffle Ticket (see page 2). If 200 tickets are sold, that's \$2,500 dollars to the winner and \$2,500 dollars to the club!

Fraternally,
JOHN C. BROWER
 Columbian Club President

It would be greatly appreciated if everyone coming to the hall for a meeting, or just to watch sports, would bring with them one or two canned goods for a donation to the St. James Food Pantry.

Your support for the food drive is greatly appreciated by Father Charlie Cicerale and the St. James Food Pantry.

KNIGHTS OF COLUMBUS ANNUITIES

The beauty of our annuity products lies squarely in their simplicity and security. They are simple because they're fixed in nature. They provide long-term accumulation of wealth, specifically designed for retirement needs. There are no hidden management fees or annual charges. (Surrender charges may apply). They are secure because they are backed by the KofC, an organization that earns the highest ratings from independent rating services while maintaining high ethical standards.

Our investment philosophy is consistent with the nature of the funds entrusted to us. We invest in vehicles that generate competitive rates for you, while assuring absolute safety of your retirement nest egg.

Whether you're looking to start a retirement savings program or moving substantial, more volatile funds into 'safer waters', the Knights of Columbus offers programs that can help you achieve your goals.

Now is a good time to review your insurance coverage. Mr. James Fischetti, our professional agent, can review your current or future insurance, retirement, and/or long-term care needs. To make an appointment, please contact:

Mr. James Fischetti 1-917-573-9751

* RIGHT TO LIFE *

THE WISDOM OF ARCHBISHOP FULTON J. SHEEN

Many of our older members grew up watching Archbishop Fulton J. Sheen on Sunday nights and we all can still watch reruns of his program, *Life Is Worth Living*, on EWTN. In today's world, where many traditions in our Church and our country are treated as quaint or old-fashioned, it's refreshing to read the thoughts of a man who understood that there are reasons why things are the way they are and that being a fence-sitter on issues is not noble in and of itself.

For those of us who may have an 'open-mind' toward abortion (or any other moral issue for that matter), please read Archbishop Sheen's insights on this frailty of human nature:

The open mind is commendable when it is like a road that leads to a city, but the open mind is condemnable when it is like an abyss.

Those who boast of their open-mindedness are invariably those who love to search for truth but not to find it; they love the chase but not the capture; they admire the footprints of truth, but not catching up with it. They go through life talking about "widening the horizons of truth" without ever seeing the sun. Truth brings with it grave responsibilities; that is why so many keep their hands open to welcome it, but never close them to grasp it.

The real thinker who is willing to embrace a truth at all costs generally has a double price to pay—first, isolation from popular opinion. For example, anyone who arrives at the moral conclusion that divorce prepares the way for civilization's breakdown must be prepared to be ostracized by the Herods and Salomes of this world. Nonconformity with popular opinion can be expected to bring down opposition and ridicule upon the offender's head.

Second, those who discover a truth must stand naked before the uplifted stroke of its duties or else take up the cross that it imposes.

Those two effects of embracing truth make many people fearful. In their cowardice, they keep their minds "open" so they will never have to close on anything that would entail responsibility, duty, moral correction or altered behavior.

The "open mind" does not want truth, for truth implies obligation, which predicates responsibility, and responsibility is the only thing the "open mind" is most eager to avoid. Avoiding responsibility only results in the abdication of one's free will to another, whether it is to an ideology or to a director.

The only real solution is for those with "open minds" to grasp truth, even though it does involve a change in behavior, for ultimately it is only truth that can make them free.

-- (From Archbishop Fulton J. Sheen, *Way to Inner Peace* (New York: Alba House Publishers, 1994), 154–156.)

The Cause for the Canonization of Archbishop Fulton J. Sheen is currently under review by the Church.

Fraternally,

John C. Brower, GK & RTL Chairman

DEVELOPMENT OF THE UNBORN CHILD — CONT'D.

The following information is from the Knights of Columbus Supreme web site. This program features 40 short clips describing the development of an unborn child in the womb, week-by-week, for 40 weeks, starting with conception and ending with the child's birth:

Week 29 (about seven months) – Not so long ago, my brain was flat and smooth, but now it has grown lots of grooves. Different parts of my brain are getting more and more specialized, so they can help me better to hear, to see, to smell, and to keep my balance when I someday learn to walk.

Week 30 – I looked a bit wrinkly before, but as I get bigger, the wrinkles are starting to go away!

Week 31 – My skin has been red for a couple of months, but now it's becoming pinker. I weigh about three pounds and I am about 15 inches long.

Week 32 – Layers of fat are growing under my skin to make my skin soft and smooth!

ANNUAL 'TOOTSIE ROLL' DRIVE

Friday April 29th thru Sunday May 1st

Brothers, I have volunteered to chair this important event this year, but I need your help. I have made a sign-up sheet for this year's Tootsie Roll Drive; there are 6 shifts per day approximately 1-1/2 hours each, starting from 9:00am to 6:30pm Friday April 29th, Saturday April 30th, and Sunday May 1st.

I realize that Fridays are tough since many of us work during the day, but let's do the best we can on Friday, Saturday and Sunday. I would like to have 4 men per shift so we can really cover the corner.

With the proper coverage we can collect a lot of money, money that goes to help the handicapped in our town.

Please sign up, on the sign up sheet in the bar, or you can call or e-mail me

If a mid 50s guy with enough metal in his ankle to sink a ship like me can do it, so can you!

Chairman: Gerry Stamato PGK, e-mail: gerry1204@msn.com

BLOOD DRIVE (UPDATE)

Due to a scheduling conflict, the original date of Saturday, April 16th was not available.

Blood Chairman Robert Banasiak, PGK & Brother James Matits decided to hold our next blood drive on Saturday, May 14th. However, NJ Blood Services won't hold a blood drive on a Saturday (April through July) unless they can get a minimum of 30 donors. Therefore, Robert Banasiak, PGK will look at the calendar to see if the hall is available on a SUNDAY in April or May. Check the website/e-mail for the new date.

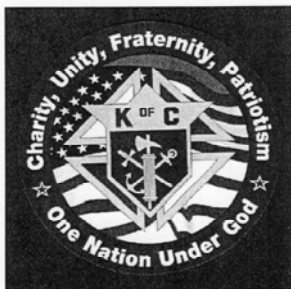

SILVER ROSE PRAYER SERVICE (UPDATE)

District Deputy Michael Choma, FN, PGK again has the honor of presenting the Silver Rose at a ceremony to be held sometime between May 30th & June 3rd in South Plainfield, NJ or at St. James Church.

The final date is to be determined depending upon the church's schedule.

The Silver Rose program features a sculpted silver rose carried by Knights from Canada, through the United States, to Mexico, bringing the Culture of Life message on its journey. The silver rose is received at councils and parishes along its way and Masses and prayer services are offered. Special border ceremonies with Fourth Degree honor guards are held when the rose is transferred from one state to another.

The Silver Rose program is a sign of the Order's unity on life issues.
